Gospel for kidz

A Religious Education Resource for Parishes

**Today we are going to be talking about
Jesus talked about his mission.
Let's, listen and hear the story Jesus tells his followers.**

A reading from the gospel according to John.....adapted for children

Jesus had been walking with his disciples.

He asked them what they were arguing about.

**The disciples were a little embarrassed because,
they wanted to know who the most important disciple was.**

Jesus told them,

“We must be servants to all people caring for other's needs.

When we do this our needs become less important

When we welcome people, we welcome Jesus and his Father.

Let's sit quietly now and think of God's story

Unpacking the Gospel

Why do you think the disciples were arguing about who was most important?

Because they wanted to be more special to Jesus.

Jesus asks us to care for others, how do you care for your friends and family?

By being helpful and caring ect.

Are we welcoming to new people in our communities?

Are we kind to new children who join our schools?

Message Sometimes we think the most important thing is to be first, to be the most beautiful, to be the smartest, or to be the greatest! Jesus calls for us to think of others first and ourselves last.

God cares for our needs so we can care for others.

- How can we live/serve as God wants, how can we put others first this week
